Dear General Walters:

It is indeed a pleasure to confirm informal arrangements for you to welcome Attache Class 2-76 at 1000 hours on Monday, 2 February 1976, at the Defense Intelligence School.

Approximately forty students will be in attendance and your presentation will afford them an excellent opportunity to gain an understanding of your views of the role of the Attache and his wife in today's Defense Attache System.

We at the School are deeply appreciative of your continuing interest and support in the training of our future Attaches to the benefit of the Intelligence Community.

Major Webb will serve as contact officer and can be reached at 433-2986 or 2987 in the event any assistance is required.

Sincerely,
